Item/Project Requesting: Women's Ministries Fundraising and Supplies (Bee Creative)

Description of how the item/project will be used: _____

The Houston Northwest Corps hosts an annual women's outreach event known as Bee Creative, a four-day crafting retreat that combines creative workshops, open crafting time, devotionals, and fellowship for approximately 100 attendees. This event provides a welcoming environment where women from the community can build relationships, experience encouragement, and engage in meaningful spiritual connection. We are seeking a grant of \$3,000 to help offset the costs of hosting the event and to provide supplies and materials for the various craft classes offered throughout the weekend. Grant funding will directly support participant experiences by helping us maintain affordable access to the event while expanding opportunities for creativity, connection, and ministry outreach. Through Bee Creative, the Houston Northwest Corps continues to create a unique space where women can gather, grow in faith, and build lasting community relationships.
