Item/Project Requesting: Prayers and Squares

Description of how the item/project will be used: _____

The The Salvation Army Houston Northwest Corps is requesting grant support for our Prayers and Squares Prayer Quilting Ministry, a compassionate outreach that provides handmade, prayerfully created quilts to individuals and families experiencing illness, grief, hardship, or times of deep emotional need. Each quilt is thoughtfully crafted, prayed over, and gifted as a tangible reminder of comfort, encouragement, and God's presence during difficult seasons. Grant funding will help cover the cost of fabric, sewing supplies, equipment, shipping materials, and other resources necessary to sustain this ministry throughout the year.

This ministry has continued to grow in both reach and impact. Over the past year, quilts have been sent to comfort those grieving the loss of loved ones, families supporting children undergoing serious medical procedures, and individuals facing chronic pain, illness, and personal sorrow of many kinds. Through these acts of care, we have witnessed meaningful moments of encouragement, connection, and answered prayer as recipients experience hope during challenging circumstances. We are seeking continued support to ensure this ministry can remain active and responsive to the ongoing needs of our community and beyond, allowing us to continue sharing compassion, prayer, and practical care with those facing life's most difficult moments.
