Description of how the item/project will be used: \_\_\_\_\_

The The Salvation Army Houston Northwest Corps will host its annual Vacation Bible School this summer as an outreach ministry serving our Corps, Red Shield Youth Center, and children from the surrounding community. We anticipate welcoming up to 50 children for a week of faith-based learning, interactive activities, and relationship-building in a safe and encouraging environment. We are seeking a grant of \$1,500 to assist with the cost of program supplies, including curriculum materials, craft projects, snacks, VBS T-shirts, and promotional resources. These funds will help ensure that children can participate fully regardless of financial circumstances while supporting a meaningful experience that combines biblical teaching, creativity, and community engagement. Vacation Bible School provides an important opportunity to connect with local families, strengthen relationships, and introduce children to positive mentorship and spiritual growth during the summer months.
